

Chapter 1

It was late, but Dani couldn't sleep.
Some people counted sheep, but not her!
Dani counted all the times she'd been happy.

Like the time when she was little and her cousin
Sven gave her a frog.

And the first time she managed to swim three strokes without drowning.

And when she got her new schoolbag.
She was so excited. She'd waited her whole life
to start school.

The summer had been very long because she
was waiting so hard.
