The [Curiously Good Book Club](#) has a new partner:
the lovely [Books on the Bus NZ!](#)

Their concept is simple. Some people go out and leave their favourite books in the transport. These are meant to be taken, read, shared and most importantly, enjoyed. We have donated books that you will find all around NZ... The first ones appeared [recently in Auckland!](#)

Simon, TV star!

At the moment [Simon's onscreen adventures](#) are only available to viewers in the UK. But for those looking for a new installment to hold on their hands, [I Can't Sleep!](#) is now available.

I Can't Sleep!

by Stephanie Blake

A universal story about sleep in the best-selling series of Simon, the cheeky rabbit who knows just what he wants.

*Simon finds that it's not easy being a big brother
—even when you are also a super rabbit.*

Julia Marshall, Publisher

Simon's little brother can't sleep without his special blanket.

Simon usually just tells Casper what to do.

He must be very, very brave to solve this problem.

It's one of those books you can read over and over again.

Kiwi Families, August 2017

Gecko Press has sold over 47,000 copies of *Poo Bum*

...likely to stop even non-bookish kids in their tracks. 'The Best Picture Books for Children' The Guardian
